

School Life Committee: Holy Name School sponsors a parent group to foster family/school relationships and allows families to contribute to the life of the school. The SLC meets at least once monthly. All parents are welcome and encouraged to attend.

School Property: Holy Name School belongs to Holy Name Parish and it is the responsibility of all students to maintain all property and materials (including desks, chairs, books, etc.) in good condition. Any abuse of school property/materials will require restitution by the student and/or family. School property includes all land within the perimeter of the school site and all school buildings, structures, facilities, computer networks and systems, and school vehicles, whether owned or leased by the diocese, and the site of any school-sponsored activity. Students should not gather at or climb the trees or fence on the perimeter of the grounds.

Electronic Devices: All students in Pre-K – Gr. 8 are not allowed to bring electronics to school. Valuable audio/visual equipment such as, but not limited to; iPods, iPads, MP3 players, electronic handheld game players, portable DVD players, electronic book readers, and any other electronic devices must be left at home, unless specifically permitted by the teacher or principal.

Cellphones and Smartwatches: Cell phones/smartwatches are not allowed in Pre-K through Grade 4. Exceptions to this rule may only be approved by the Principal. Students in Grade 5 through Grade 8 are allowed to have cell phones. Students with a cell phone need to turn the cell phone off prior to entering the school, and it must be placed in the appropriate spot during school hours. Each classroom has an organizer for phones/smart watches. Each child will be given a number that corresponds to the slot in the organizer where said items will be kept during the day. Holy Name School is not responsible for any lost or damaged devices, phones, or smartwatches.

Field Trip Policy: Field trips are privileges, and students may be denied participation if they fail to meet academic or behavioral requirements. Students who fail to submit the proper permission form filled out and signed will not be allowed to participate in the field trip. Parents and students must understand that telephone calls will not be accepted in lieu of the proper written permission form. Please note that parents are asked for medical information for the field trip in order to properly treat your son/daughter in case of an emergency.

School/Home Communication

The education of students is a partnership between home and school. Holy Name School recognizes the importance of ongoing communication between both parties. We strive to keep parents informed and up to date on student progress, school events, and other issues or concerns about their children.

Principal's Newsletter: The primary form of communication home from the school administration will be a weekly electronic newsletter emailed each week on Friday. This communication will contain information about school notices, upcoming events, calendar updates, policy changes, extended care bills, lunch and milk menu, and general school news. It is expected that families read the newsletter as all information will be sent through this letter.
