

We Are Making Our Fundraising As Easy As Shopping For The Things We All Need!

Our organization is beginning a new era in fundraising - With your help, NO added expense to you, OR Door to Door Sales! How? By purchasing Scrip before you go shopping to use for your normal everyday purchases.

Scrip? What's that?

Scrip is a latin word that means "anything used instead of money". When you buy scrip from our organization, you're purchasing Gift Cards from National Retailers. Now instead of thinking about buying them to give as a gift, we want you to use them just like you would your cash. You can use scrip to purchase everyday budgeted items like food, clothing, and other essentials, and with every purchase, you earn profit for our organization.

Can I just buy the gift cards at the store? How does it work?

Unitedscrip purchases gift cards on behalf of churches, schools and other non-profit organizations to purchase large amounts of scrip from grocery stores, local vendors, department stores, and restaurants. Because the scrip is purchased in large volume, in cash, participating retailers offer a substantial discount. Our organization buys the scrip from UnitedScrip at a discount, and re-sells the certificates to families like yours for full face value. The discount - from two to fifteen percent or more – **is our organization's revenue!**

Scrip is "making every purchase count for our organization"

Scrip is a 'no brainer' when it comes to fundraisers - because families don't have to sell anything. NO DOOR TO DOOR SALES!! Organization members produce revenue or profit for our group by making regular household purchases they would make anyway. National Retailers, A – Z, including groceries, movies, clothing, toys, restaurants, chocolates, shoes and catalogs, online or on the way, gasoline and more - each can be purchased with scrip.

Payment (this step must be initiated at least 4 business days before placing the order)

The **ScripPayment Gateway** link is found on the User Home Page after logging on to ScripZone. Follow the instructions found on the site.

Once you submit the Banking Information required, our Gateway will verify your accounts by depositing a small amount **INTO** your account. This process requires 3 – 5 business days. If you bank online, check your bank account or statement for the transaction and note the amount deposited. Amounts will vary with each verification process. Once the deposit is confirmed to the Gateway, your status will change on the HomePage.

- ✓ My ScripPayment Gateway Center (Waiting for Your Approval)
- Click on the link and confirm amount deposited into account.
- Enter the amount deposited into your account and click Approve eCheck. You are now approved to electronically process payment for your Scrip Orders.

Please note that by approving and establishing this account you understand and agree to the Terms and conditions of www.scripzone.com.

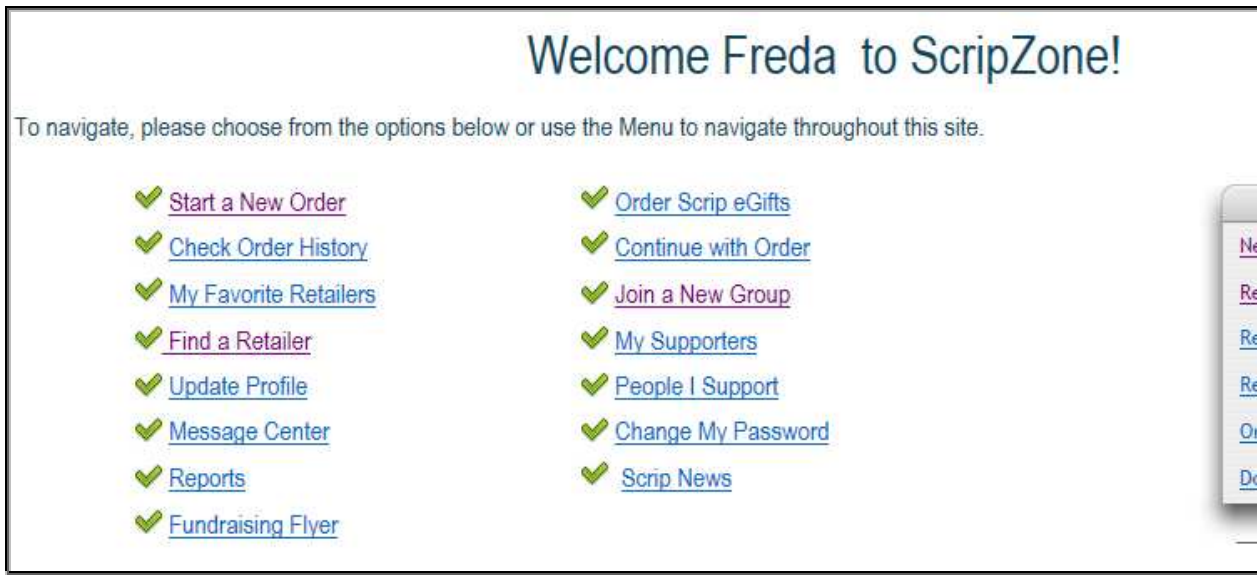

- ✓ A \$0.50 fee will be added to your total order and processed with each payment. This charge applies to each transaction.
- ✓ Currently there are no additional fees per eGift ordered because there is a waiting period before they are received. In the future, if UnitedScrip decides to allow for instant access to the funds on an eGift, there will be an additional processing charge per eGift ordered. This fee is to cover the additional costs to UnitedScrip.
- ✓ I authorize UnitedScrip to electronically transfer funds from my account for payments due.

If you do not set up the ScripPayment Gateway the only payment method will be a credit card. The items that are listed on the order form are not available for purchase by a credit card, so you will not see them listed.
